a vigorous campaign to create an interest in softball. So successful have his efforts been that the personnel now want to organize a team which will participate in league play with Air Force units located in the test area. The league requires regulation uniforms. Normally, outside contact of this type has been discouraged for security reasons, but the participating members in the league are all aware of our presence there and consider the unit an Air Force organization. One of our biggest problems has been to retain personnel assigned to the site and this unusually high interest in softball now being shown is very encouraging. We feel strongly that an effort should be made to maintain the level of morale that [REDACTED] has been seeking to establish.

3. It is recommended that the Deputy Director (Support) authorize DPD to expend a sum, not to exceed \$150.00 for the purchase of suitable uniforms.
